# Memorandum

**Date:** June 2, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Russell Benford  
Deputy Mayor 

**Subject:** Recommendation to Reject All Proposals Received: Red Light Camera Program

---

**This item was amended at the May 13, 2015 meeting of the Metropolitan Services Committee to direct the County Mayor or the County Mayor's designee to re-solicit within 60 days of the effective date of this resolution or report to the Board why it was unable to re-solicit within that timeframe.**

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the rejection of the proposals received under *Request for Proposals (RFP) No. 881, Red Light Camera Program*. The County issued a solicitation to obtain proposals from experienced and qualified firms to establish a turnkey Red Light Camera Program (Program) for the Miami-Dade Police Department. It was anticipated that the Program would be at no-cost to the County, funded through the revenue generated by the citations issued. It was also anticipated that the Program would be deployed in phases, with the initial implementation phase of 50 cameras. Additional cameras would have been added in increments of up to 50 cameras for up to a total of 150 cameras at the County's discretion. The RFP required the selected proposer to fully fund all costs associated with the implementation of the Program.

Florida law permits public entities to use Traffic Infraction Detectors (Detectors), subject to rules and procedures established by the Florida Department of Transportation. More specifically, the law allows a county or municipality to install traffic detectors on state, county, or municipal rights-of-way within the boundaries of that county or municipality. Local agencies are required to provide a hearing for individuals who are issued a notice of a traffic infraction. There has been substantial discourse in the Florida House and Senate regarding the proper application of Detectors, including the administration of the Detectors, by local agencies.

In October 2014, the Fourth District Court of Appeal ruled that the City of Hollywood was not authorized to delegate police power by entering into a contract that allowed a private vendor to screen data and decide whether a violation had occurred before sending that data to a Traffic Infraction Enforcement Officer for authorization of a citation. The Fourth District reasoned that such outsourcing to a third-party for-profit vendor of a city's statutorily mandated obligation to issue uniform traffic citations for red light camera violations was contrary to the Florida Statutes. The Fourth District's decision was appealed to the Florida Supreme Court, which declined to hear the appeal.

In light of this and the time that has elapsed since the January 24, 2014 proposals submission date, it is recommended that all proposals be rejected without prejudice to the proposers. Upon approval of this recommendation, the County will re-solicit the Program, consistent with governing law, within 60 days of the resolution's effective date or will report to the Board why it was unable to re-solicit within that timeframe.

## **Scope**

The impact of this project would have been countywide in nature.

**Fiscal Impact/Funding Source**

There is no fiscal impact to the County with the rejection of the proposals. The contract was anticipated to generate an estimated total of \$5,000,000 in revenue over the contract's five-year term for the Miami-Dade Police Department.

**Track Record/Monitor**

Melissa Adames of the Internal Services Department is the Procurement Contracting Manager.

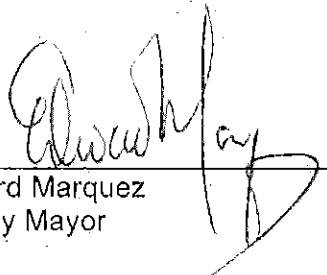

**Vendors Not Recommended for Award**

On December 16, 2013, the RFP was issued under full and open competition. Award would have been made to a recommended responsive, responsible proposer based on the solicitation's evaluation process.

Proposer	Reason for Not Recommending
American Traffic Solutions, Inc.	Rejection of Proposal
Gatso USA, Inc.	
GovComm, Inc.	
Redflex Traffic Systems, Inc.	
Sensys America, Inc.	

**Applicable Ordinances and Contract Measures**

- The two (2) percent User Access Program provision would not have applied as this was intended to be a revenue-generating contract.
- The Local Preference Ordinance was included in the solicitation.
- The Local Certified Service-Disabled Veteran's Business Enterprise Preference was included in the solicitation.
- Contract measures would not have applied as this was intended to be a revenue-generating contract.
- The Living Wage Ordinance would not have applied.

Subject: Red Light Cameras

---

I hereby delegate to you all authority relating to all matters arising out of or relating to the implementation of Resolution No. R-759-10 and Ordinance No. 11-01 regarding the installation of red light cameras.

You should exercise this authority and utilize your own judgment and should take all actions which are in the best interest of Miami-Dade County and consistent with Resolution No. R-759-10 and Ordinance No. 11-01. In the event an issue arises in the exercise of delegated authority which requires action by the County Mayor and that action is not delegable under Florida law, the Miami-Dade County Home Rule Charter (e.g. waiver of competitive bidding) or the County Code (e.g. Mayoral sponsorship of an agenda item to be considered by the County Commission), please seek an opinion from the Ethics Commission regarding the appropriate course of action.
